The internship program includes a practical work placement, academic assessments and professional development training.

Overview
At Macquarie you can take an unpaid internship for academic credit as part of your studies.
This opportunity is available to Study Abroad and Exchange students, as well as a selection of local and international students completing their degree at Macquarie University.

For detailed program information, please visit our website: www.international.mq.edu.au/internships

Eligibility
To be eligible to apply, you must have a Grade Point Average (GPA) of 3.0.

Timing
Internships are available at the following times:
• Semester 1: March – June
• Semester 2: August – November
You will complete 80 - 290 hours in the workplace over the semester period depending on degree requirements.

Projects and Assessment
You can complete an internship that relates to your study major and interests within the range of academic disciplines on offer at Macquarie University including business administration, marketing, event management, human resources, IT, media, communications, journalism, public relations, finance, international relations, politics, digital media, psychology, and sciences.

You will complete a number of academic assessments as part of your internship placement, and participate in professional development sessions on topics such as cross-cultural sensitivity and business communication.

Application Process
Internship placements are competitive and therefore not guaranteed.
