Case Base facilitates searches for Australian legal materials, and provides links to these. (If a
LexisNexis AU is for searching local primary (cases, legislation) and secondary (articles)
materials.
LexisNexis affords a facility for searching for primary and secondary materials from a
number of jurisdictions. Although it focuses on US materials it is also a good source for
materials from other jurisdictions.
Westlaw international also provides a trans jurisdictional search facility for primary and
secondary materials.

Library Support for Postgraduate Students in Law:
Macquarie University Library offers a wide range of services and resources to postgraduate
students. Go to the Library website http://www.lib.mq.edu.au. For a complete list of services
and resources and for enrolling in Library orientation programs for Law consult the Librarians
at the Macquarie Library (below).

Library services include information on borrowing periods, services to distance students, links
to IT Help (the Library’s IT support service), and links to training information and training
course notes.
Postgraduate students are eligible for a number of additional services. These include the
Liaison Librarians (LL). The LLs are the first point of contact for Postgraduate students.
There is an LL appointed to each Faculty of the University.
Services offered by your LL include:
• Providing further information on the library services
• Providing individual and group library resource sessions for postgraduate students
• Advising on new database trials being held in the Library
• Advising on appropriate contacts for specific services, such as requesting items not
  held at the Library from the Document Supply Service
• Preparation of resource guides in print and on the web
• Reference advice (face-to-face, phone and email)
Further information about these services is available from the Postgraduates link, listed
under Additional Services on the Library homepage.
Readings
A volume of reading material has been made available to the MQ Library and is online. A link to same will be provided on Blackboard.

LEARNING OUTCOMES

At the end of this unit students should be able to:

1. Understand the role and nature of insurance law;
2. Understand the legal framework of insurance law;
3. Have developed some skill at the interpretation of relevant legal instruments;
4. Understand legal problems arising in the insurance industry;
5. Understand dispute minimization and resolution strategies in insurance law;
6. Understand policy issues underlying the insurance system.

GRADUATE CAPABILITIES

In addition to the discipline-based learning objectives, all academic programs at Macquarie seek to develop the capabilities the University’s graduates will need to develop to address the challenges, and to be effective, engaged participants in their world. This unit contributes to this by developing the following graduate capabilities:

1. Discipline Specific Knowledge and Skills
2. Critical, Analytical and Integrative Thinking
3. Problem Solving and Research Capability
4. Creative and Innovative People
5. Effective Communication
6. Engaged and Ethical Local and Global Citizens
7. Socially and Environmentally Active and Responsible
8. Capable of Professional and Personal Judgment and Initiative
9. Commitment to Continuous Learning
10. The ability to generate research outputs that will create new knowledge.
TEACHING AND LEARNING STRATEGY

The unit consists of seminar-based classes. The techniques of legal reasoning, legal knowledge and a capacity to apply the principles of law to hypothetical fact situations (or ‘cases’) will be developed through explanation, discussion and essay writing. Students are encouraged to raise real life cases from their professional experience, relevant to the subject matter of the unit.

Requests for extensions of time for the submission of essays will need to be justified for example by establishing appropriate medical grounds.

See Appendix attached marked ‘A’ for essential details of the Assessment requirements.

**ACADEMIC HONESTY**

The nature of scholarly endeavour, dependent as it is on the work of others, binds all members of the University community to abide by the principles of academic honesty. Its fundamental principle is that all staff and students act with integrity in the creation, development, application and use of ideas and information. This means that:

- All academic work claimed as original is the work of the author making the claim
• All academic collaborations are acknowledged
• Academic work is not falsified in any way
• When the ideas of others are used, these ideas are acknowledged appropriately.

Further information on the academic honesty policy can be found in the Macquarie University Academic Honesty Policy at: http://www.mq.edu.au/policy/docs/academic_honesty/policy.html

**GRADES**

Macquarie University uses the following grades in coursework units of study:

HD – High Distinction  
D – Distinction  
CR – Credit  
P – Pass  
F – Fail

Grade descriptors and other information concerning grading are contained in the Macquarie University Grading Policy which is available at:  

All final grades in the Department of Accounting and Corporate Governance are determined by a grading committee and are not the sole responsibility of the Unit Coordinator.

Students will be awarded one of these grades plus a Standardised Numerical Grade (SNG). The SNG is not necessarily a summation of the individual assessment components.

The final grade and SNG that are awarded reflect the corresponding grade descriptor in the Grading Policy.

In addition, there is a requirement to pass the final examination to be awarded a final grade of a Pass or a higher grade.

**GRADING APPEALS AND FINAL EXAMINATION SCRIPT VIEWING**

If, at the conclusion of the unit, you have performed below expectation, and are considering lodging an appeal of grade and/or viewing your final exam script, please refer to the following website which provides information about these processes and the cut-off dates in the first instance. Please read the instructions provided concerning which constitutes a valid ground for appeal before appealing your grade.

SPECIAL CONSIDERATION

The University is committed to equity and fairness in all aspects of its learning and teaching. In stating this commitment, the University recognises that there may be circumstances where a student is prevented by unavoidable disruption from performing in accordance with their ability. A special consideration policy exists to support students who experience serious and unavoidable disruption such that they do not reach their usual demonstrated performance level. The policy is available at: http://www.mq.edu.au/policy/docs/special_consideration/procedures.html

STUDENT SUPPORT SERVICES

Macquarie University provides a range of academic Student Support Service. Details of these services can be accessed at: http://www.student.mq.edu.au.

IT CONDITIONS OF USE

Access to all student computing facilities within the Faculty of Business and Economics ius restricted to authorised coursework for approved units. Student ID cards must be displayed in the locations provided at all times.

Students are expected to act responsibly when utilizing University IT facilities. The following regulations apply to the use if computing facilities and online services:

- Accessing inappropriate websites or downloading inappropriate material is not permitted. Material that is not related to coursework for approved unit is deemed inappropriate.
- Downloading copyright material without permission from the copyright owner is illegal and strictly prohibited. Students detected undertaking such activities will face disciplinary action, which may result in criminal proceedings.
- Non-compliance with these conditions may result in disciplinary action without further notice.
- Students must use their Macquarie University email address to communicate with staff as it is University policy that the University issued email account is used for official University communication.
