The nature of scholarly endeavour, dependent as it is on the work of others, binds all members of the University community to abide by the principles of academic honesty. Its fundamental principle is that all staff and students act with integrity in the creation, development, application and use of ideas and information. This means that:

- All academic work claimed as original is the work of the author making the claim
• All academic collaborations are acknowledged

• Academic work is not falsified in any way

• When the ideas of others are used, these ideas are acknowledged appropriately.

Further information on the academic honesty policy can be found in the Macquarie University Academic Honesty Policy at:
http://www.mq.edu.au/policy/docs/academic_honesty/policy.html

**GRADES**

HD – High Distinction
D – Distinction
CR – Credit

Grade descriptors and other information concerning grading are contained in the Macquarie University Grading Policy which is available at:

All final grades in the Department of Accounting and Corporate Governance are determined by a grading committee and are not the sole responsibility of the Unit Coordinator.

Students will be awarded one of these grades plus a Standardised Numerical Grade (SNG). The SNG is not necessarily a summation of the individual assessment components.

The final grade and SNG that are awarded reflect the corresponding grade descriptor in the Grading Policy.

In addition, there is a requirement to pass the final examination to be awarded a final grade of a Pass or a higher grade.

**GRADING APPEALS AND FINAL EXAMINATION SCRIPT VIEWING**

If, at the conclusion of the unit, you have performed below expectation, and are considering lodging an appeal of grade and/or viewing your final exam script, please refer to the following website which provides information about these processes and the cut-off dates in the first instance. Please read the instructions provided concerning which constitutes a valid ground for appeal before appealing your grade.

**SPECIAL CONSIDERATION**
The University is committed to equity and fairness in all aspects of its learning and teaching. In stating this commitment, the University recognises that there may be circumstances where a student is prevented by unavoidable disruption from performing in accordance with their ability. A special consideration policy exists to support students who experience serious and unavoidable disruption such that they do not reach their usual demonstrated performance level. The policy is available at: http://www.mq.edu.au/policy/docs/special_consideration/procedures.html
